WEARING OUT POVERTY™

Who Is VNU?

Village Northwest Unlimited is nationally recognized as one of the premier providers of services to people with intellectual and developmental disabilities, autism and traumatic brain injuries.

We build successful lives for 180 individuals by providing opportunities and choices in residential, vocational and social programs while fulfilling our mission of providing **Purpose, Privacy & Dignity** for all people.

Who Is Soles4Souls?

- S4S is not for profit global social enterprise committed to fighting poverty through the collection and distribution of shoes and clothing.
- S4S advances its anti-poverty mission by collecting new and used shoes from individuals, schools, faith based institutions, civic organizations and corporate partners.
- These collected shoes are then distributed via direct donation to people in need.
- These donations also provision qualified micro-enterprise programs designed to create jobs in poor and disadvantaged communities.

How You Can Help

- We are asking YOU to donate any new or used pairs of shoes.
- Your donation means more than just a new pair of shoes for someone in need. You are also providing work opportunities for the residents of Village Northwest Unlimited.
- VNU partnered with S4S in 2009 to provide hope for those in need by processing and facilitating the donations of shoes.
- The residents receive the donated footwear, sort it into specific categories and prepare for shipment to S4S main outreach distribution center.
- This partnership allows the people that we serve to give back to society by being able to provide shoes to those less fortunate around the world.
